

BE AN INFORMED VOTER

KNOW THE ISSUES

Colorado voters will decide the fate of four state-wide ballot issues this November:

- Amendment 67: Definition of Person & Child
- Amendment 68: Horse Racetrack Gambling
- Proposition 104: School Board Meeting Requirements
- Proposition 105: Genetically Modified Food

Learn about each issue and hear the pros and cons from speakers advocating for and against the issues. An audience Q & A will follow the presentation and time will be set aside for audience members to talk individually with ballot issue representatives. Free league ballot issue pamphlets and information about city and county issues in Arapahoe and Douglas Counties will be available.
